Wonderful garden-surrounded floating home on the Tenas Chuck co-op dock. Halfway out the southern moorage this classic and well cared for floating home offers big windows, French doors, skylights, one bedroom and a three-quarter bath. There's a cozy, well laid out kitchen with a breakfast bar, formal dining area and a good sized living room. Don't miss the excellent opportunities for remodeling or expansion of this single-floor home on a larger float. Swim from your deck and keep your kayak, sail or ski boat moored at your doorstep while you enjoy a front row seat to the fireworks forever!
